

Prayer Support Manual

Standing With Us in Prayer

Every real thing LTBL has accomplished has come through prayer first. This manual is for anyone who wants to stand with us there, whether you can give financially or not, prayer is never a lesser form of partnership.

I MONTHLY PRAYER FOCUS

Before each month's public content goes out, our team prays over it together, dedicating the month to God and asking Him to have His way. We invite you into that same rhythm.

2 WHAT TO PRAY FOR

- The children, for those currently in our Time-Out Initiative, that their identity would be found in Christ, not in what the hurricane took
- The land, for the right property in St. Elizabeth, provision, and clarity in every negotiation
- Government relationships, for favor, wisdom, and open doors with MOEY, CPFSA, and every agency we engage
- Staff and volunteers, for protection, endurance, and hearts that stay soft toward the children in their care
- Latoya and the Board, for discernment in every decision, and for the Lord to keep this mission tethered to Him above all else

3 A SIMPLE WEEKLY PRAYER

"Heavenly Father, let there be light in St. Elizabeth, and in every heart this mission touches. Guard the children. Guide the leaders. Let only your will be done, not ours, in Jesus name, amen."
